Dear Judge Scheindlin:

We represent Plaintiffs Van Cleef & Arpels, S.A. and Van Cleef & Arpels, Inc. ("Plaintiffs" or "VCA"). A conference is scheduled for later today.

As the Court is aware, the parties are in the midst of settlement negotiations. Unfortunately, we have not received responses to our settlement overtures as quickly as we had hoped.

We request an additional adjournment of the conference to allow defendants to enter into a signed settlement agreement. We request that the Court adjourn the conference to a date approximately one week later at the Court's earliest convenience. We have conferred with all Plaintiffs' request is granted. parties and they all agree to the within application.

Respectfully submitted,
